TAILOR-MADE RESPONSIBILITY

Moving up the waste hierarchy and in to the unknown

A short introduction on how we meet the
challenge of today and prepare for the unknown

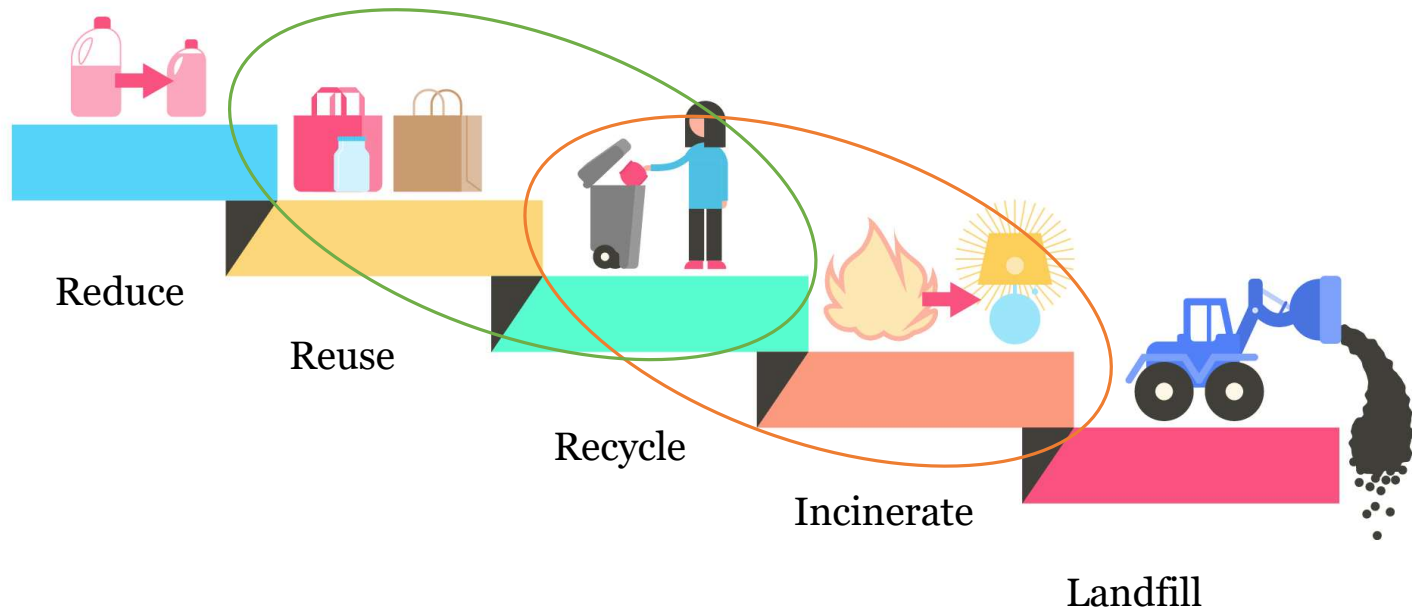

February 4 2021

About us

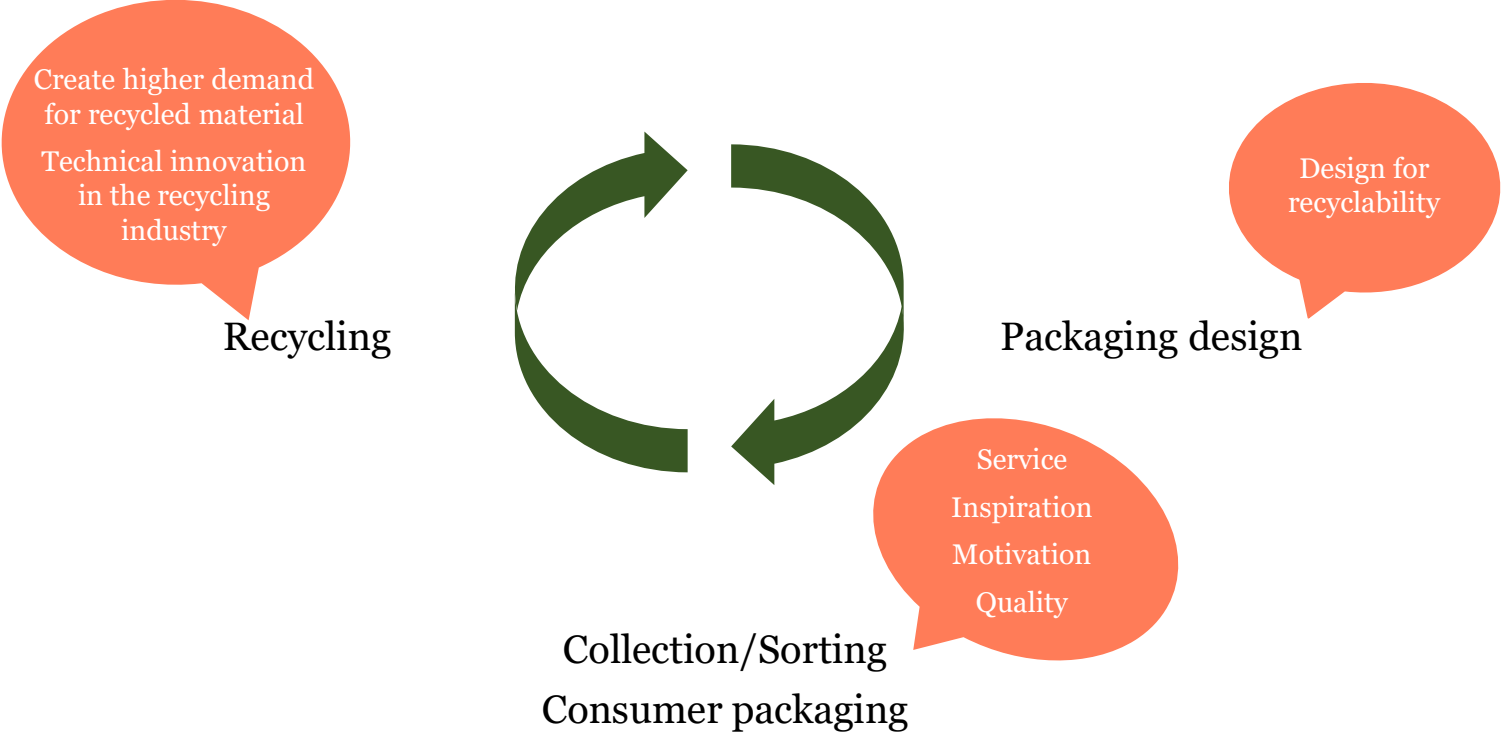

Micro introduction

- Founded 2005
- Privately held by the founders.
- Producer responsibility compliance scheme
- Challenging, agile, innovative and professional
- Head office in Stockholm.
- New production line for recycling plastics

Multi tasking is key in the plastic packaging challenge

Pick-Up Service – Individual and on demand

- We offer the service directly to you, for free and voluntary – the decision is yours.
- Leaving the traditional way of collecting waste in cooperation with e-commerce distributors.
- Service utilizes redundant capacity in e-commerce distribution.
- Pick-up at the front door after ordering.
- Mobile App to order Pick-Up, give sorting advice, motivation and feedback when recycled.

we make the future our business

Reuse and the art of self-destruction
